

## Logging onto the Illuminate Education Student Portal

---

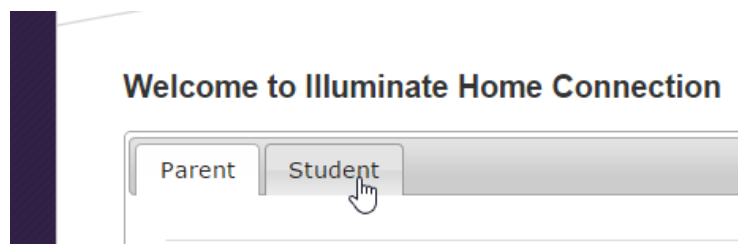

Illuminate Education includes an online student portal where students can view their Illuminate assessment results, as well as log on to take online assessments. This document highlights the basics for accessing the Illuminate online student portal.

**Open a web browser and navigate to the Illuminate Home Connection portal**

The URL for the student portal is: <https://inghamisd.illuminatehc.com>

**Click the "Student" tab**

When the Home Connection portal is accessed, the Parent tab is selected. Students need to click the "Student" tab to log on successfully.

## Enter your credentials

Welcome to Illuminate Home Connection

Parent Student

Login

Username NetworkName@gowcs.net

Password ●●●●●●

Once you click on the student tab, enter your login credentials. Your Username should be your full school e-mail address (network account @ school address). The example above is for a fictional student at Williamston. The password should be your network password. Remember, passwords are usually case-sensitive.

## Viewing the portal

Activate Instruction

POWERED BY ILLUMINATE EDUCATION

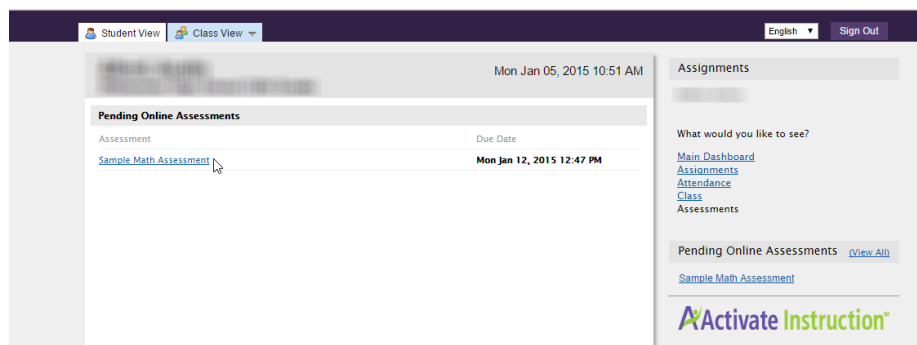

If your credentials are accepted, you should see the Student View of the portal above.

## Use the Navigation tools on the right side to view Assessments

To take an online assessment, use the navigation menu on the right side of the screen, and select **Assessments**. If your teachers have created an online assessment for you, the assessment will appear in the main window.

## Select the assessment from the list

Select the assessment you wish to take from the list. You can also see available assessments in the "Pending Online Assessments" list on the right side.

## Additional help

For more help on using the online assessment portal, you can visit Illuminate's help file:
